Company affiliated to REPA Register	yes <input type="checkbox"/>	no <input checked="" type="checkbox"/>
Company applies a system using re-usable packaging	yes <input checked="" type="checkbox"/>	no <input type="checkbox"/>
Company takes back packaging	yes <input type="checkbox"/>	no <input checked="" type="checkbox"/>

### 4 Construction phase

Documented instructions for installation and fitting are available for the product	yes <input checked="" type="checkbox"/>	no <input type="checkbox"/>
Included in the documentation are requirements and recommendations for:		
- safety measures to be used during handling and installation	yes <input checked="" type="checkbox"/>	no <input type="checkbox"/>
- handling the goods at the workplace	yes <input checked="" type="checkbox"/>	no <input type="checkbox"/>

### 5 Usage phase

The product requires a supply of energy for operation during its intended use (electricity, power fuel, etc.)	yes <input checked="" type="checkbox"/>	no <input type="checkbox"/>
The product requires chemicals for operation during its intended use (coolant, lubrication oil, etc.)	yes <input type="checkbox"/>	no <input checked="" type="checkbox"/>
Type of chemical:		
The product produces a pollution load of emissions into air/water (external environment) during its intended use	yes <input type="checkbox"/>	no <input checked="" type="checkbox"/>
During normal maintenance, the product requires:		
- consumable materials (type)	yes <input type="checkbox"/>	no <input checked="" type="checkbox"/>
During normal maintenance, the product requires:		
- chemicals (type)	yes <input type="checkbox"/>	no <input checked="" type="checkbox"/>
Documented instructions are available for the operation and maintenance of the product	yes <input checked="" type="checkbox"/>	no <input type="checkbox"/>
The estimated service life of the product, assuming that operation and maintenance are carried out in accordance with the manufacturer's instruction	25 years	

### 6 Demolition

The product has been prepared for environmentally adopted disassembly	yes <input type="checkbox"/>	no <input checked="" type="checkbox"/>
Further information about disassembly:	-	

### 7 Residual products

Refer to section 1, Constituent materials

### 8 Waste products

not applicable

### 9 Indoor environment
