

NM230/24A

Damper actuator NM230/24A

- 10 Nm, 150 s, 95°
- AC 230 V, Open/Close, 3-point
- AC/DC 24 V
- IP 54, Manual override with push-button
- Control with single- / 2-wire contact
- Connection PVC cable 1m
- Direction of rotation reversible (right/left)
- Angle of rotation limit, mechanical integral
- Spindle driver universal spindle clamp
