

BELIMO LMV-D3-MP

VAV-Compact controller with integrated pressure sensor, VAV controller and damper actuator for pressure-independent VAV and CAV applications in the comfort zone

DESCRIPTION

- Control: DC 0/2 ... 10V / MP-Bus
- Integration in bus systems:
 - DDC controller with MP interface
 - LONWORKS[®]/Modbus systems
 - Fan optimiser systems
- With additional switch-on option for sensors and switches
- Diagnostic socket for Service and PCTool
- NFC interface for Smartphone operation
