

INTERNATIONAL PROCUREMENT ORGANISATION

The individual TROX companies conduct their own purchasing. The international purchasing of the TROX GROUP is co-ordinated by our head office in Neukirchen-Vluyn.

We are always looking for reliable partners who can fulfil our high demands which we impose upon ourselves and our suppliers with regard to

- Quality
- Schedule effectiveness
- Faithfulness to deadlines
- Flexibility
- Purchasing costs
- Communication and
- Development potential.

If you are interested in working together with a company which is operating on a global scale, then please contact [Mrs Szumowski](#). She is responsible for co-ordinating all international purchasing activities of the TROX GROUP with you.

A partnership with the TROX GROUP also requires that a QS management system be established in your company according to international standards.
