

CM24-SR

Damper actuator CM 24-SR

- 2 Nm, 75 s,
- AC/DC 24 V, modulating
- IP 54, Manual override Gear disengagement with magnet
- Control DC 0...10 V
- Operating range DC 2...10 V
- Position feedback DC 2...10 V
- Connection PVC cable 1m
- Direction of rotation rotation to the left (ccw) CM24-SR-L
- Direction of rotation rotation to the right (cw) CM24-SR-R
- Running direction L (ccw) at Y= 0 V
- Running direction R (cw) at Y = 0 V
- Angle of rotation limit. mechanical integral
